Did you guess the Word of the Week?

Every week, Mrs Penlington is going to choose a Word of the Week. The staff will use this word as much as they can. Then at Pride Assembly the children will be invited to guess what they think the word is. Keep listening!

NOROVIRUS ALERT

We would be very grateful for the support of parents in helping us reduce the spread of the infection. If your child has symptoms of diarrhoea and or vomiting, please keep them at home until at least 48 hours after they are symptom free. A 48-hour exclusion period is advised in current clinical guidance; however, preference may be to practice a 72-hour exclusion period. During this time, they should not mix with other children outside the home or visit local venues.
