

## Consent Form for the recording and use of Images

Name of Pupil .....

Dear Parent/Carer

During the course of the school year, we may sometimes wish to take photographs or video recordings of children within school or on school trips, either for our own records, for use as part of our learning curriculum or for inclusion in our promotional material such as the school prospectus and our website.

The school may also invite an external photographer to the school each year to take official school photographs and may invite the media in to take photographs of pupils engaged in school activities or events for publication.

Photography and filming will only take place with the permission of the Headteacher and under appropriate supervision. When photos are taken of the children, they will only be named by their first name if there is a particular reason to do so (e.g. they have won a prize).

To comply with the General Data Protection Regulation, we need to ask your consent before the school record any images of your child. In view of this, please read the statements below, complete the slip and return this form to school within the next **10** days.

This table sets out the various reasons for taking, and making use of, images of your child and we should be grateful if you would indicate whether or not you give consent for use in these circumstances. By indicating 'YES', you are confirming that you consent to your child's personal data being shared for those purposes and/or with the named third parties):
